

8Y SIDEPRESS COMBO WITH WATER MANAGEMENT SYSTEM

Innovative Features

Tested to 20,000+ cycles without mechanical failure

- Built with premium grade materials
- 16" wringer handle is 15% longer than competition, generating greater pressure to mop head with less effort
- Integrated wet floor sign holder provides convenient sign storage and transport
- Unique front-facing splash guard doubles as caution signage, increasing safety awareness
- Optional Sediment Drain Grate and Dirty Water Bucket
- Posi-grip handle provides confident grip when hands are wet or gloves are worn
- Integrated putty knife and mop handle holders
- Private label imprint area available
- Patents Pending

Promote a Safer Working Environment

The Sidepress Combo's bucket shape with the molded-in wave arresting water diffuser reduces splashing for safer mopping.

8Y SIDEPRESS COMBO WITH WATER MANAGEMENT SYSTEM

Innovative design manages water usage and spills:

- Splash prevention plate prevents wringer water escape
- Wave arresting water diffuser reduces spills and splash
- Stable base and caster placement increases tip resistance and maneuverability
- Pressure-balanced sidepress applies even pressure to the mop head and quickly channels dirty water away from mop fibers

Customize with optional items:

- Optional Dirty Water Bucket captures waste water, conserving clean water and increasing square feet cleaned per gallon
- Optional Sediment Drain Grate traps waterborne sediment in the bottom of the bucket

Dirty Water Bucket

- Separates dirty water from clean water
- Preserves the quality and cleaning power of cleaning solution
- Locks into mop bucket
- Divides liquid weight, less lifting power needed when emptying buckets
- Doubles as portable bucket
