ITEM CAN BE
RECYCLED

NSF International (National Sanitation Foundation) was founded in 1944, helping to set standards in sanitation and food safety. More than 155 countries are serviced by NSF. This international organization is well staffed with microbiologists, engineers, chemists, toxicologists and environmental professionals.

NSF Approved means...

- Strict standards for public health protection
- Extensive product testing and material analyses
- Unannounced plant inspections

Sturdy Handles

Gator™ Container

Value Plus Container

Easy Bottom Grip

Gator™ Container

Value Plus Container

Easy Out Bag Feature

Gator™ Container

Value Plus Container

NSF Approved

Our commercial containers are tested for sanitation efficacy and structural durability.

GATOR CONTAINERS

These heavy duty containers are premium quality molded construction with high impact and crush resistant.

ADVANCED GATOR™ CONTAINERS AND LIDS

Added venting and cinches allow Advanced Gators to standout.

- 6 Air-venting passages provide up to 75% reduction in the force to remove a filled liner
- Built-in poly bag cinches keep liners in place
- Deeper wider bottom hand grip pockets for easier container dumping

Optional
GatorAnchor™ Dolly
#7708

BASIC GATOR™ CONTAINERS

Polyethylene resin, molded in one piece.

- Handles incorporate a larger radius and deeper well, making container easier to lift and move
- With lid locked, container is animal and spill resistant even if tipped over

MADE IN
THE U.S.A.

VALUE PLUS CONTAINERS

Lighter weight containers allow for easier moving and lifting with good durability and excellent value.

VALUE PLUS CONTAINERS

Lighter weight containers that allow for easier moving and lifting with good durability and excellent value.

- NSF Standard 2 & 21 listed and approved.
- Ideal for a variety of applications, in an array of colors.
- Made in the USA and rugged, these containers and lids pair perfectly.

Optional Gator Dolly #7704

MADE IN THE U.S.A.

Drain Channels to meet NSF Standards

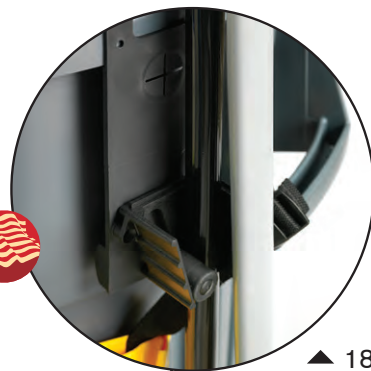

COMMERCIAL ACCESSORIES

GatorMate™ Portable Caddy

Organize your cleaning system with our portable caddy that fits over the handle of most 32, 44 and 55 gallon containers.

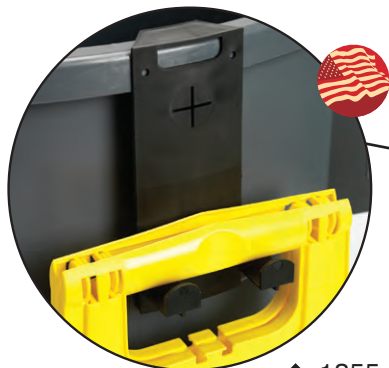

1850 ▶

▲ 1856

GatorMate™ Holder

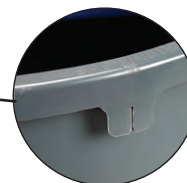

The holder has a poly line holder and secures round or oval handles such as small brooms or dust pans.

▲ 1855

GatorMate™ Hook

Holds safety signs, trigger sprayers and cleaning cloths. Team with a poly liner retention holder to secure the trash bags.

**Pinch'm Bag
Pinches** to
secure poly liners!

Vinyl Gator™ Caddy

This 9 pocket, water resistant apron holds many items to get the job done! Easily fits 32 and 44 gallon containers.

▲ 7708

GatorAnchor™ Dolly

This Gator Dolly is 25% larger in diameter and 50% more tip resistant than standard dollies. Universally "anchors" 32, 44, and 55 gallon containers. Fits all Gator & Value Plus 32 and 44 gallon containers!

▲ 7705

MADE IN
THE U.S.A.

WASTE BASKETS

The smaller waste baskets work well in front-of-house, offices, or small areas where space is an issue.

Pinch'm Bag
Pinches to
secure poly liners!

14, 28 QUART RECTANGULAR PINCH'M SOFT-SIDED PLASTIC WASTEBASKETS

Seamless soft-sided construction will not dent, leak or rust.

- Patented bag pinch design to secure poly liners
- Molded of high quality polyethylene for strength and durability
- Rolled rim for easy pick-up and delivery

28 OR 41 QUART VALUE PLUS WASTE BASKETS

Durable, compliant and easy to handle containers at a reasonable price.

- Available in blue, black, beige and gray
- Durable polyethylene construction
- Easy lift integrated handle design

RECYCLE SOLUTIONS

Promoting reclamation compliance is not a problem with our broad selection of recycling containers and lids.

VALUE PLUS AND GATOR™ RECYCLE CONTAINERS

- Printed with a high-contrast 'Recycling' Symbol, and can be used indoors or outdoors.
- NSF Standard 2 & 21 listed and approved for select items.

COVERED SOLUTIONS

Our OUTDOOR receptacle containers are molded from structurally foamed polyethylene for strength and durability.

The INDOOR line is made of heavy duty cold rolled steel with paint chip proof enamel. Vinyl and foam seals around lids to minimize noise and wear.

OUTDOOR

45-GALLON VANGUARD™

Durable structurally foamed polyethylene will never rust, leak or corrode.

21-GALLON BULLET

Domed lid prohibits trash and other items from collecting on the top of the unit.

INDOOR

MIPRO™ SWING TOP RECEPTACLE

Spring loaded door offers easy access for both sides.

STEP-ON RECEPTACLES

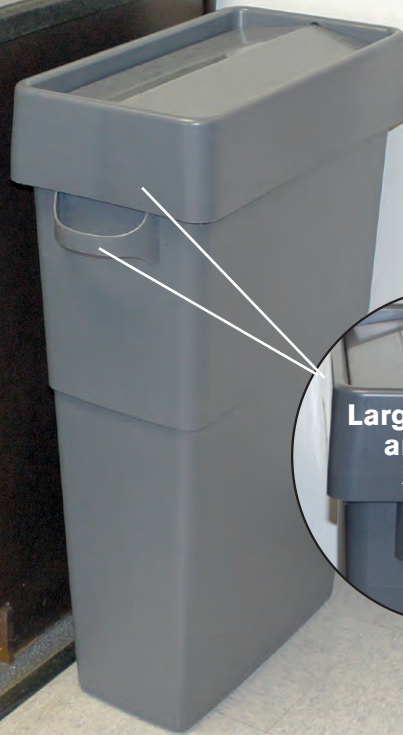

LARGE STEP-ON provides hands-free operation in compliance with infection control regulations.

SMALL STEP-ON is designed to fit under counters and tight spaces.

THIN BIN CONTAINERS

This heavy weight durable Thin Bin is great for areas where floor space is limited. The high handle makes it easy to grip and control when lifting and emptying.

Large Grip Handle and Optional Swing Top

23-GAL. THIN BIN™ CONTAINERS AND LIDS

High capacity container for tight spaces, made of durable polyethylene blend.

- Ergonomic handles; recessed hand grips molded into bottom for easy emptying
- Textured finish outside; smooth inside surface for easy cleaning
- Swingtop lids sold separately, flat top recycling lid available

Easy Grip Bottom

MADE IN
THE U.S.A.

VALUE PLUS SLIM CONTAINERS

This lighter weight durable can has a more recessed handle for even tighter spaces. Use alone or pair it with a matching lid for concealing trash.

23 GALLON SLIM CONTAINER

Great for tight spaces and places where even a handle may get in the way.

- Reinforced rims and wall for increased durability
- NSF Standard 2 listed and approved.
- Engineered sidewall venting for easy retrieval of loaded trash bags.

MADE IN
THE U.S.A.

HOT & COLD SOLUTIONS

Our fire resistant wastebaskets are a perfect fit for any facility that requires extra protection for fire prevention safety.

FIRE RESISTANT WASTEBASKETS

Contains fire without burning and will not melt or collapse.

- Made of fiberglass; meets most stringent fire approval standards
- Rounded corners add strength and are easy to clean; UL Approved
- Required for food service, healthcare, hospitality, schools and office buildings

For your cold needs, our 10 gallon Ice Bucket is a perfect size to contain and carry ice in your food service or hospitality locations.

10 GALLON ICE BUCKET

The "Ice Only" stamped on the bucket helps to prevent cross contamination.

- ICE ONLY buckets and lids were designed perfect for foodservice and hospitality applications.
- NSF Standard 2 listed and approved

MADE IN
THE U.S.A.

Our durable metal wastebaskets are made of a high quality steel that is fire resistant and are available in many colors and sizes.

ROUND METAL WASTEBASKETS

A variety of colors and sizes to fit your application and space.

- Designed for fire resistance
- Manufactured from high quality steel, with no-mar baked enamel finish
- Reinforced wire rims for extra strength
